07/2017 – PRESENT

Faculty of Information Technology

SUMMARY OF QUALIFICATION

I focused on Frontend developing with JavaScript frameworks and libraries such as React.js, Vue.js. Sometimes wondering Backend side with Node.js.

In the beginning I studied C, C++ and practice HTML, CSS and JavaScript in the same time.

ABOUT ME

- I have mainly abstract thinking and can look at the problems from different sides, restore a chain of events etc.
- I easily studied sciences such as Physics and Chemistry in school and college.
- It is easy for me to get required skills.
- In 2016 – 2017 I served in the compulsory military service in Border Service Agencies of Republic of Belarus.
- I prefer a healthy lifestyle like biking, jogging and so on, also I am free of the bad habits.
- My hobbies are playing music, singing, role-playing games.
